From the Notice Editor: Hi folks, I apologize for the late newsletters, bad picture quality, cheap paper, etc, etc...I'm still getting the hang of monthly newsletter work. I've been trying to get lower printing costs and faster production through online services but it seems like the old fashion way works the best, White Oak Press gives a very good price for quality printing. I really need contributions from club memebbers, stories, drawings, poems whatever. Send it via e-mail: dana@spazzco.com or snail mail: 1318 Eleventh Ave, San Francisco, Ca 94122. Everyone has something Norton to say!

Meeting Minutes 4/99

The April meeting of the Northern California Norton Owners Club was held April 8, 1999 at Harry's Hofbrau in Mountain View. Twenty brave souls weathered the storm to attend. No one rode his/her bike, however. President Alan Goldwater called the meeting to order at 8:15 PM.

There was a brief discussion about the Notice. Alan Mueller explained the difficulty of getting the Notice out in a timely fashion. First, Dana Muise is trying a new printing method, which has given him some difficulty. Secondly, he is not getting much support from the members. He needs material to place in the Notice. The job of the editor is to compile articles and information passed to him by the members. So please, help Dana out! Give him something to print.

The next ride will be the Rallye de Milani held in San Rafael. Alan asked if someone could keep track of the members going and keeping track of the attendance. More points are given for riding a Norton. There was some discussion about the SonomaFest happen-

ing later this month. It seems as if Alan G. has a good representation of the Norton marquee to show at this event. Several people have offered their bikes to display. John McCoy wants to send his Norton Challenge bike to the event and Alan has offered to haul it there. He will need to rent an enclosed trailer. The club authorized the money to do that. There will be a few passes available to a few members who will help man the Norton booth. Alan G. says that the new Norton shirts have been ordered and will hopefully be ready for the SonomaFest.

There was a discussion about elections. Last year, it was not done exactly as the by-laws dictated. That was due to a lack of participation by the members. If we get a quorum present at the Old Timer's Ride, we can have official nominations and then ballots can be placed in the Notice. The election will be officially over at the Xmas Party.

On May 23, 1999 the Monterey Club will hold its annual European Motorcycle day. There should be a flyer in the next Notice. The meeting was adjourned at 9:00 PM.

Respectfully submitted,
Alan Mueller, secretary/treasurer

Dear Norton people:

I found your e-mail address through a web search but I don't know anyone in your organization. I'm the original owner of a 1973 Commando 850 Interstate s/n 300393. It was in good shape when put in storage about ten years ago, but needs some tender loving care to bring it back to life. I don't think I'm the right guy

to take on the project, and I was hoping there might be some wisdom within the club to help me find someone to do the work for me. I'd be very pleased to have a running machine once again, and to join your organization. Can you help with some suggestions for a trustworthy place/person to have the necessary work done?

THE NORTHERN CALIFORNIA NORTON OWNERS CLUB

Membership Application

The Northern California Norton Owners Club (NCNOC) was started in San Francisco in the early 1970's and grew geographically larger to become the Northern California Club.

Club membership is typically limited to Norton Owners, but we look the other way all the time, at least as long as you would like to own a Norton, own other British bikes, or are just a great person to be around. So if you like to ride, repair, eat, drink and be merry and admire Norton motorcycles, it will cost you \$20 to join. The club has monthly rides (some times more frequent), monthly meetings on the second Thursday of each month (at rotating venues) and award winning Newsletter and a website. If you would like to learn more about your Norton and how to take care of it, would like to buy a Norton or just want to have a good time with other club members, join now!

The NCNOC maintains a relationship with the U.S. Norton Owners Association (USNOA, also known as the International Norton Owners Association or the INOA) as well as the original club in England. Our club secretary will tell you how to join the U.K. organization if you have an interest.

The USNOA hosts a North American Rally each year and publishes a fine quarterly magazine called the *Norton News*. This gives you access to national want-ads and to merchants all over the country who advertise in the News as well as a national membership list. It is well worth joining and will cost another \$20. Send that to: Dian Stark, 12603 BelAire Circle, McCalla, AL. 35111 Phone: (205) 477-4340. We look forward to seeing you and your Norton on the high road.
